WORK EXPERIENCE

Full Stack Development Intern | Tirenex

Jun 2026 – Jul 2026

- Worked on practical projects that strengthened full stack development and problem-solving skills in a remote-based environment.

Web Development Intern | Tech Vedhu

Mar 2026 – Apr 2026

- Designed and developed responsive, user-friendly web applications using modern technologies across the full development lifecycle.

Python Programming Intern | InternPe

Aug 2025 – Sep 2025

- Focused on Python coding, growth, and practical problem solving while building scripting and hands-on project experience.

PROJECTS

PlacePrep

- Developed an AI-powered placement preparation platform **using RAG and Generative AI** to provide company-specific learning resources, ATS-based resume analysis, and personalized readiness evaluation.
- Integrated voice-enabled mock interviews** with real-time feedback to simulate corporate placement interviews.

Turf-Booking Website

- Developed a responsive turf booking website with live slot selection, duration-based pricing, advance payment flow, WhatsApp contact, gallery, reviews, and booking receipt confirmation.
- Built a **Supabase-ready backend** and owner dashboard to manage bookings, slot holds, blocked timings, turf settings, gallery content, reviews, and admin users.

Study Guard

- Built an AI-powered drowsiness detection application that tracks eye movements through a webcam using computer vision.
- Integrated an automatic alarm system to prevent users from falling asleep while studying.

Task-Flow Dashboard

- Task management dashboard to create, organize, and track daily tasks.

Responsive Portfolio Website

- Personal portfolio with smooth scroll animations, dark theme design, and mobile responsive layout.

CONTESTS

- Participated at INTERNATIONAL TAMIL ENGINEERS FORUM by TN Start-Up and TN Skill – Student Technical Paper Presentation.
- Participated at MSME IDEA HACKATHON 6.0 on the Theme of Other Frontier Technologies.

CERTIFICATIONS

- Infosys Springboard – Responsive Web Development with HTML and CSS
- Microsoft Introduction to Copilot 365
- NPTEL Online Certification – Introduction to Industry 4.0
